About Youth Beatz!

Week 6

1st-7th Grade Youth (Jr. & Sr. Camp)

Youth Beatz is all about kids and Community first. Each program is tailored to meet the specific needs of the community, such as:

Empathy • Compassion • Teamwork • Fitness & Active Lifestyle • Positive Choice Patterns • Confidence • Creative Expression • Cultural Diversity • Global Community • Social Inclusion • Self Acceptance • Increased Self-Esteem • Respect for Self • Respect for Other • Anti-Bullying • Conflict Resolution • Violence Prevention • Utilizing Whole Brain & Active Learning • Team Building

Participants gain the many benefits of a controlled aerobic workout through the athletic philosophy of a percussion, cardio-training, stepping, and dancing enrichment program. At it's core, Youth Beatz is a Tour Of Enrichment where all participants discover the positive benefits of teamwork, social inclusion, empathy, the power of making good decisions and much more!

Mr. Rich

A professional, national touring drummer, juried and accredited artist in residence, Mr. Rich founded Youth Beatz in 2005 to share the many benefits of rhythm and fitness with others because he felt it had benefited his life so greatly. Youth Beatz is a very specific and intentional program designed to develop and sharpen soft skillsets in both children and adults. What becomes clear the moment Mr. Rich enters any room is simple: He is a caring and vibrant personality, whose dedication and commitment to drive positive change, are effective and unquestionably contagious.
